after a first action on the merits but before a final rejection or a notice of allowance.

The attention of the Examiner is hereby directed to the references listed on the attached form PTO-1449. A copy of the reference is forwarded herewith.

The present invention defines a specific parking meter which is not believed to be disclosed by the enclosed references.

The enclosed references were cited in a European application corresponding to the present application. A copy of the European search report is also enclosed.

With the submission of this admitted prior art applicant complies with the duty of disclosure as set forth at 37 C.F.R. 1.56.

Any additional fees or charges required at this time in connection with this application may be charged to Patent and Trademark Office Deposit Account No. 11-1835.
